

I pay, in DOLLARS,U.S. what XM provides...,Being in Northern Maine, I have one Crountry Radio Sta. to listen too. For some reason, they cannot broadcast loudly enough-for now their broadcast is distorted..This is why I enrolled in XM Radio, being a Rural Mail Carrier, in my area their is a couple of spots that I don't get no signal. I would rather pay for XM Radio, their fine programming, then try to listen to distortion on FM 96.9..

I urge the FCC to reject the NAB's petition 04-160 and support XM's ability to provide the kind of programming that I PAYED FOR and deserve...NOT 96.9's FM Garble..The rest of the FM's Stations on my radio are NOT COUNTRY..

What RIGHT does NAB to dictate to what I LISTEN TOO..Who wants to listen to advertistments for three to four minutes, listen to a song and again the advertistments....XM RADIO, I PAY TO NOT TO LISTEN TO THE #\$\$%%

ADVERTISTMENTS.....XM RADIO, has quality progamming

maybe NAB SHOULD ADHERE TOO.....JEALOUSY...I FIGURE/MONEY LOST.

LET's Win

XM, keep me POSTED..
